STATE ROUTE 198 / 19TH AVENUE INTERCHANGE PROJECT CLOSES ACCESS TO VINE STREET

The California Department of Transportation (Caltrans) in cooperation with Granite Construction announces the permanent closure of access to and from Vine Street (18 ½ Avenue) at State Route 198, as part of the State Route 198/19th Avenue Interchange Project in the city of Lemoore within Kings County.

Beginning, Monday, January 26th, 2015 at approximately 7:00 a.m. access to and from Vine Street (18 ½ Avenue) at State Route 198 will be closed. This closure is part of the original design of the 19th Avenue Interchange project and is necessary to meet safety standards. Vine Street will have cul-de-sacs on both the south side and north side of State Route 198.

Also beginning Monday morning, January 26th at 6:00 a.m. through Friday evening, January 30th, 2015 at 6:00 p.m. the #2 lanes (right lanes) of 198, eastbound & westbound, will be closed between State Route 41 and 18th Avenue. This will be a 24 hour a day closure.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please **Be Work Zone Alert**.

For updates and information regarding lane closures, commuter alerts and construction schedules during the length of this construction project, please contact Tami Conrado, Caltrans Chief Public Information Officer at (559) 488-4082 or email her at tami.conrado@dot.ca.gov
